Subject: Grenada - August Sampling
Attachments: Postcard #4 Final Rockwell Grenada air & gw sampling in EH August 2018.docx

Good morning, Ted. The current plan for August sampling is only ambient air during the week of August 13. Likely to mobilize on August 13, sampling August 14-15, and demobilize on August 15 or 16. Attached is the postcard that will be going out to the community regarding the sampling.

Also, FYI, we have yet to receive validated results for the July sampling, but will let you know when we do.
